Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Patent Office communication of November 17, 2009 indicating a notice of allowance of the subject application and commenting on the allowable subject matter, Applicant would comment as follows.

The statement set forth in paragraph 3 of the communication is not reason for the allowance of the claims. In all due respect, the reason for the allowance of the claims is simply the failure of the Board of Appeals to sustain the final rejection in the application.

Dated: December 4, 2009

Respectfully submitted,

/Peter N. Lalos/
